O R D E R:

In the reference 1st read above, the Government have issued orders on Comprehensive Measures for early completion of the long delayed ongoing Major and Medium Irrigation projects of 25 Nos involving 111 Packages duly considering the price adjustment for Labour & Other materials apart from the Cement, Steel, Fuel and EM & HM Escalation provided in the agreement conditions. Subsequently, Government vide G.O.2nd read above have issued orders including another (5) packages for relief under G.O.Ms.No.146, I&CAD (Reforms) Department, dt.08.10.2015 with clarification on the said G.O.

2. In the references 5th read above, the Engineer-In-Chief (General) has stated that the extended date considered vide G.O.Ms.No.120, I & CAD (Reforms) Dept. Dt. 20.12.2018 is over for most of the 61 packages and requested for further extension of time in respect of 61 packages due to various reasons. Reasons put-forth by the ENCs and C.Es for further extensions are as follows:

- i. One of the main reasons for delay of works has been non-completion of Land acquisition necessary for execution.
- ii. Release of water in to the main Canals and distributaries during Kharif& Rabi for irrigation and drinking water in the partially completed ongoing packages of MGKLIS, RBLISP, JCRDLIS,JNLIS&Singur canals has affected the working period.
- iii. Obstruction for execution of field channels works by the farmers which are not covered by Land acquisition.
- iv. Due to delay in timely payments for LA, R&R and work bills.
- v. The option of closing the ongoing packages instead of considering further extension would involve more time, financial implication and legal issues.
- vi. Re-engineering in some of packages of IFFC & JCRDLIS resulted in extending the scope of works and also increases in Land acquisition which requires further extension.

3. The Engineer-In-Chief (General), Hyderabad has requested the Government for considering EOT for the balance 61 packages duly extending the benefits of the G.O.Ms.No.146, I&CAD(Reforms) Dt: 08-10-2015 and G.O.Ms.No.24, I&CAD (Reforms) Dt: 08.05.2017 for completion of the package works since the reasons for not completing the package works are beyond the control of agencies. The balance I.P to be created under these packages is 10.63 Lakh acres and balance Land acquisition to be acquired is about 16905 acres.

4. Government after careful examination of the matter hereby consider the proposal for Extension of Time (EOT) beyond the final EOT granted under G.O.Ms.No.120, I & CAD (Reforms) Dept. Dt. 20.12.2018 for balance 61 packages (enclosed as **Annexure**) till completion duly extending the benefits of G.O.Ms.No.146, I&CAD (Reforms) Department, dt.08.10.2015 read with G.O.Ms.No.24, I&CAD (Reforms) Dt: 08.05.2017 to complete them in all respects.
